AGM 10th Dec

Fees For This Year

Juniors \$110 /term or \$440/year, Early bird discount \$390.
Seniors \$120/term or \$460/year, Early bird discount \$430.
Remember early bird discount only available in February.

Sponsorship

Progressive Home Tutors have again offered to sponsor club members that affiliate to Wafa for the first time this year. If you are considering competing in the under 15's or above and you have never affiliated to Wafa before talk to Me or other committee members about sponsorship.

Equipment

Gloves

We have purchased a set of gloves for sale. We only have one of each size at the moment but a larger supply is on the way.

Body Wires/Mask Wires

We now have a supply of body wires and mask wires for sale. Body wires are \$20 and mask wires \$10. As we have a limited supply of club wires, members that regularly fence electric on Tuesdays and Fridays are asked to purchase their own set of wires.

Masters

As Fremantle Council has decided to cancel the Fremantle Masters we have decided that we will still run a masters competition. We have decided that we will hold a Masters competition on the Weekend of the 30 April- 1 May, this is as long as the WFAA calendar allows this weekend to be used and the Gym is free that weekend. More information to follow as we organize things.

Singapore Trip

Francis Wong has invited members of the club up to Singapore for a weekend of fencing in September or October. Interested members should talk to me or Gary about the details.

See you all soon

Regards
Jon
