Activity Day

The activity day was a great success everyone had a good time. Wafa President Ben Peden commented that it was the best yet and UWA will have to get it finger out to match us. Again Excalibur has shown the rest of the fencing community how to do things. I would like to thank all the members that helped out over the weekend, especially the juniors who came on the Saturday and helped with the under 13's, without their help we would have never been able to run 5 poules at once.

Safety Issue

As we are now insured through the AFF we must maintain a level of safety. It has come to the committee's attention that a number of members are wearing shorts to fence in. This practice will not be tolerated from now on. Please wear long track pants or breeches and long socks. Shorts may be worn during warm up and foot work but you must change into the required attire before fencing activities.

Armourer

George Osgood who is our state armourer and does all the weapons checks for us at WAFA and National events is looking for people to replace him and his aging team. If you have an interest in helping WAFA in this role have a talk to George on the Saturday or Sunday at AFF3 coming up in August.

Commonwealth Games

Congratulations to Sutherland for nomination to the Commonwealth Fencing Championships Team and Garry for nomination to the Commonwealth Veterans Championships Team. Garry has been nominated for all three weapons.

End of Team Dinner

A small group of us went to Blends for dinner last Friday reinstating our end of term dinner. We have decided to have dinner on the first Friday of the school holidays from now on. If you can think of somewhere they serve great food at a reasonable price let the committee know for the end of next term.

Regards
Jon Allard
President
