Masters Games

The last weekend of last term we held the Fremantle Masters Games. Everyone had a great time and we even managed to fit in some team events for the Epee and Sabre. I would like to thank everybody who helped out on the two days it was greatly appreciated.

T-Shirts

Kate won the T-Shirt design competition. I have been able to acquire the services of a friend who has a silk screening machine. Once we have produced the artwork for the T-Shirt I will put a call out for people to buy their own shirts, which I will get printed for free, or for a small cost per shirt to cover the cost of the ink etc. You can get as many as you like done, but there will be a restriction on the colour of the shirt you can use as we will be printing in only one colour eg If we use black ink then you cant have a black shirt printed as it wont show up.

Development Fund

Congratulations to Kate and Zak on receiving \$200 each from our development fund to help pay their expenses to cadets this year.

WAFAs President Becomes Father

Congratulations go out to Ben and Sanna Peden on the birth of their Son, Sebastian David Vilpas Peden at 8:28pm on Monday 5 October 2009. Sebastian was born by Caesarean Section at King Edward Memorial Hospital, weighing in at 3.15kg and measuring 47cm.

Weapon Change

Juniors have you ever considered trying another weapon. If so come to the other session on a Saturday. 1:00pm is Sabre, 2:30pm Foil and Epee. Or come to both sessions and give Mum and Dad the afternoon off.
